### What information we collect from you

**In General.** We receive and store any information you enter on our website or give us in any other way. This includes information that can identify you ("personal information"), including your first and last name, telephone number, postal and email addresses, and billing information (such as credit card number, cardholder name, and expiration date). We may also request information about your hotel room preferences and frequent flyer and car rental program information. You can choose not to provide information to us, but in general some information about you is required in order for you to register as a member; book travel; complete a traveler profile; participate in a survey, contest, or sweepstakes; ask us a question; or initiate other transactions on our site.

**Travel Companion Information.** When you make a reservation for someone else through this website, we will request personal information and travel preferences about that individual. You should obtain the consent of other individuals prior to providing us with their personal information and travel preferences, as any access to view or change their information will be available only through your account.

**Information from Other Sources.** We also may periodically obtain both personal and non-personal information about you from affiliated entities, business partners and other independent third-party sources and add it to our account information. Examples of information we may receive include: updated delivery and address information, purchase history, and demographic information. In addition, if you sign up for [alstravel.online](http://alstravel.online) using your social media account, link your [alstravel.online](http://alstravel.online) account to your social media account, or use certain other [alstravel.online](http://alstravel.online) social media features, we may access information about you via that social media provider in accordance with the provider's policies. The information may include your name, email address, profile picture, gender, list of friends, and other information that you authorize us to receive. Depending on the privacy settings of you and your friends, we may access information that you provide to a social media provider regarding your respective locations ("Location Data") to provide you with relevant content. Please note that your Location Data may also be shared with your friends on a social media provider in accordance with your privacy settings for that social media provider.

We also may collect information about your online activity, such as trips viewed and bookings made. Our goals in collecting this automatic information include helping customize your user experience and inhibiting fraud.

### How we use your information

We use sensitive billing information (such as cardholder name, credit card number, and expiration date) for the purpose of completing the travel bookings you conduct on our site. We use other information about you for the following general purposes: to provide you with the products and services you request; to provide you with travel confirmation and updates; to manage your account, including processing bills and providing travel notifications; to communicate with you in general; to respond to your questions and comments; to measure interest in and improve our products, services, and website; to notify you about special offers and products or services that may be of interest to you; to otherwise customize your experience with this website; to reward you as part of any reward and recognition program you choose to join; to solicit information from you, including through surveys; to resolve disputes, collect fees, or troubleshoot problems; to prevent potentially prohibited or illegal activities; to enforce our Terms of Use; and as otherwise described to you at the point of collection.

**Email Communications.** We want to make it easy for you to take advantage of travel-related opportunities on our website. One way we do this is by sending you email messages that contain information about your apparent

travel-related interests. For example, if you search for a flight to New York on our website and have saved your itinerary or otherwise not yet booked your travel, we may send you an email message reminding you about your saved travel itinerary or about a special airfare to New York. Similarly, if you receive an email from us about New York travel and demonstrate an interest in New York hotels by affirmatively clicking on a link about New York hotels in the email, you may receive an email about New York hotel offers or other destination information. We believe these email messages will provide you with useful information about travel-related special offers available through our site. Please note that you will have the opportunity to choose not to receive these email messages in any such email we send.
